Dear Sir:

In a recent issue of the Unitarian newsletter, I read that Clara Barton has been nominated to the Hall of Fame for Great Americans in New York. Please record my endorsement of her election. Her work as a woman professional has been well documented. She has served as an inspiration for girls who aspire to provide humanitarian community service from a philosophic framework of human dignity and equality.

Sincerely,

Lois Friss, R.N., Dr. P.H.
